PRACHI BAPAT

Graphic Designer | Front-end Developer | Painter

Experienced graphics designer for 7 years. Technical
expertise and out-of-box thinking. I have a unique mix of
creative, hard-working, time management, and technical
skills. I design and develop services for customers of all sizes,
specializing in creating stylish, modern websites.

My passion is to design digital user experiences through the
bold interface and meaningful interactions.

Currently, successfully completed my program at VanArts, Canada. I am from

an art background and
like doodling and sketching whenever I get time. Paintings act
as a stress buster for me.
